## *Foreword*

Our endeavor in publishing the Tropaeum of 1950 is to stress one point: Butler High School's contribution to the community. We have chosen this theme for our yearbook because we feel that the school and the community are one; their unity is essential to the well-being of all the people.

We have tried to show that the school is an integral part of the community. Activities and entertainment are provided for the public by the presentation of plays, operettas, and athletic contests such as basketball games. The school serves as a means to draw the people of the community together and increase the mutual understanding between them.

It is of the utmost importance that in this atomic age our students learn how to face the world problems of today and tomorrow. We feel that the school has contributed much toward the goal of world peace and understanding by training its students in democracy and government. And what can be of greater concern to a community?

Butler High School students become leaders in all fields; they are the backbone of the community. From the doors of B. H. S. go future farmers, homebakers, businessmen, and secretaries. The training they have received in high school will help assure their success in their chosen careers.

Much more than education and entertainment is contributed to the community by the school. For example, many of the faculty members have taken their places as community leaders of various activities. They work on committees, serve as church leaders, and are willing to give their time and energy to the community.

We present this annual to you, the citizens of the community, with the hope that it will prove to be a benefit and a pleasure to you and increase your understanding of the school, its students, and its faculty. It is our sincere wish that we may continue to contribute to the community which is so much a part of Butler High School.

## *Dedication*

To the community which has so graciously nurtured us and has made so much possible for us, we humbly and gratefully dedicate this 1950 TROPAEUM.

May we ever be able to show our true appreciation.

From EAST and WEST, NORTH  
and SOUTH, from FARM and  
from CITY we come to

# Butler High School Contri

Butler High School is an integral part of the entire community. Its pupils and teachers all take active part in the many and varied activities of the town and the surrounding countryside. Its influence covers four townships, Troy, Stafford, Wilmington, and Franklin with overlaps into Union and Newville Townships.

The churches find many of their ablest teachers and workers among the students and faculty of Butler High School. All community enterprises, the factories, and business houses, and various offices find pupils and teachers actively engaged. Whenever organizations desire music, the vocal and instrumental music departments gladly meet their requirements. When the merchants want to make an especially great display, the band appears—witness the Santa Claus parade at Christmas.

A G.I. Class and Mr. Berg's farm class are good examples of adult education carried on in the school. Different groups have ball teams and use the gymnasium. The P.T.O., the March of Dimes, and various other examples of this close cooperation between the school and the community may be found.

The school in its commercial classes, its vocational agriculture and home economics classes is training boys and girls to take a very prominent part in the life of northern DeKalb County. In addition, the various academic subjects are training boys and girls as future teachers, nurses, lawyers, doctors, businessmen, and good citizens. Yes, Butler High School contributes much to the community, and in turn the community contributes much to the school.

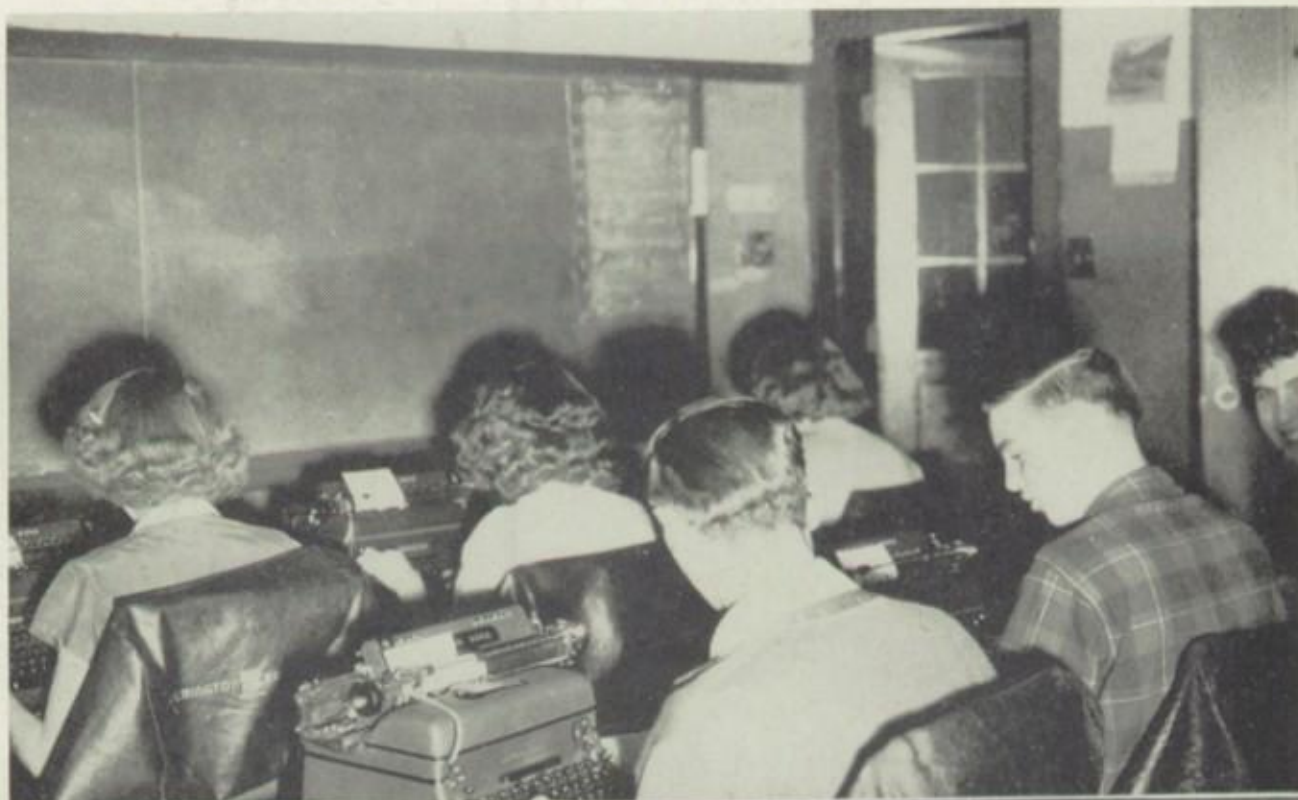

1. G. I. Agriculture Class. 2. March of Dimes. 3. Honoring the 1942 Sectional B. B. Champs. 4. A typical farm scene. 5. Group fellowship proceeding P. T. O. Meeting. 6. The gymnasium—sports, plays and general activities.

## *Maintenance Personnel*

One of the most important jobs around any school is that of the janitors whose duty is to keep the school in "tip top shape." Fires must be cared for; floors and furniture must be cleaned. Then there's the mess after the ball games to be cleaned up. The students and faculty of Butler High salute you, Mr. Gall and Mr. Houser!

Mr. Gall, Mr. Houser.

Early in May, 1949, the theme of the 1950 Tropaeum was selected. Under the guidance of Mr. Kenton McCrory it began to develop. After his untimely death, Mr. Paul Ashby, formerly an instructor in the Kendallville High School, became the new sponsor. He has proved himself a very capable and efficient adviser and has worked untiringly to assure the annual's success.

The annual staff, enlarged for more proficiency, was chosen at the beginning of the school

year. At the first staff meeting the color of the annual's cover was decided, and special assignments were given to each staff member.

Soon, through the hard work of an enthusiastic staff, the "dummy" of the yearbook began to live, and it has become a history of Butler High School and the Community it serves. Its publication is made possible by individual subscriptions and advertising sales solicited by members of the senior class and the annual staff.

## Latin Club

The Latin Club is an association of Latin students who wish to carry their interest in the subject beyond the classroom. The Butler chapter of the Junior Classical League is known as Romani Hodierni, meaning "Romans of Today." The purpose of the club is to hand on the torch of classical civilization to the modern world.

Romani Hodierni held more or less regular meetings during the school year. At these times the members learned about the lives of the Romans and the various customs observed during this period of civilization. At Christmas they held a party at the school building and enjoyed good food and a gift exchange in the spirit of the occasion.

This year the Latin Club continued a practice which was started by last year's club members. A gold medal award was presented to the pupil having the best grades in Latin in both classes. This award is made to try to encourage the study of Latin among school students. At the time this article goes to press the recipient of the medal in the first year class is undetermined. The contest is close between two students, Joyce Funk and Marlene Doolittle. In the second year group, top honors go to Carolyn Rensch.

The officers of the club who served during the past year were: President, Sid Long; Vice-President, Jack Maxton; Secretary, Glen Newcomer; and Treasurer, Bob Wolfe. Mr. Ashby was the sponsor for the club.

## *Future Farmers of America*

"A farmer's in the dell! A farmer's in the dell!" There will be a few more farmers when the Future Farmers of America, a club made up of boys who plan to be farmers, complete their agricultural training and take up the occupation of their fathers.

These boys learn new and better ways of farming. Officers are elected for one year. For 1949-50 the elected officers are: Glen Keesler as

President and assisting him as Vice-President is Wayne Heffley. The Secretary of the club is Max Little and controlling the financial end is Lenard Keller as Treasurer. The reporter for the club is Walter Slentz and the club is sponsored by Mr. Berg.

The boys of this club can be identified by their blue jackets with the FFA Emblem on the back.

 Third row: Joyce Adams, Betty Oberlin, Shirley Miller, Miss Metz.

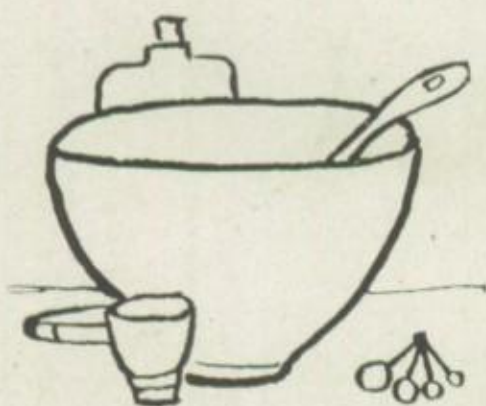

## Future Homemakers of America

The Future Homemakers of America is a national organization of home economic students. Its purposes are to encourage democracy in home and community life, develop creative leadership, and promote a growing appreciation of the satisfactions of homemaking, thus furthering an interest in home economics. The club's motto, "Toward New Horizons," expresses the purpose—learning to live better today in order to have better lives tomorrow. Membership in

the club is open to any high school girl having taken vocational home economics for one year.

Regular meetings were held on the third Tuesday of each month, and at Christmas a party and gift exchange were enjoyed by the members of both F. H. A. and F. F. A.

On October 1, 1949, four delegates, Onalee Knox, Bessie Bungard, Ruth Schimpf, and Beverly Nodine, attended the Fall District Meeting at Ossian. The club was also represented at the District meeting on April 1, 1950.

## Senior Play

It is 7:55 on the evening of December 10, 1949; the house-lights are down; everyone is sitting tensely, waiting—waiting for the spectacular production, "A Broom For The Bride", starring

those talented members of the class of 1950, and produced under the able direction of Mr. Francis E. May. 8:00 o'clock—

Curtain!!  
Action!!

Here, in a nutshell,  
is the nucleus of the

play. Linda, the daughter of a socially pretentious mother, is set to marry Ernest, the mama's boy of a supposedly wealthy mother. Linda's ex-fiance, a reporter, turns up to break the match as one hilarious incident after another unfolds. The wealthy aunt of the family—they've not seen her for many years—turns up, is mistaken for the new maid, and is put to work. A crook, posing as a society reporter, enters the house with his niece; he is after some valuable letters known to him to be concealed behind a family painting. The reporter disguises himself as the Aunt from Boston, disrupts the plans for the wedding, and partially exposes some of the phony guests. Linda realizes she really loves the reporter. Together they dispose of her ex-fiance's mother and enable Ernest to marry the niece of the crook. The reformed crook makes a match with the wealthy aunt, his former sweetheart. This performance was repeated on the afternoon of Sunday, December 11, and again was enthusiastically received by the audience.

# Junior Play

## STRICTLY FORMAL

With the Senior Dance only eleven days away, Jane and Sally still have no dates—and George and Jim haven't said a word. Then Marcia, who is Sally's house guest, arrives from New York City and snares one man after another with the old "go-gettem" tactics. All, that is, except Elroy who is constantly practicing the shot-put and isn't nearly as dumb as he seems. Finally reinforcements arrive for the girls in the form of Cindy. She is a movie fan and solves all problems on the basis of how Ginger Rogers landed Fred Astaire. She also has to play her horn in order to think, which produces some wierd sounds in the course of the play.

When George and Marcia return from the show, Cindy has Jane stretched out on the sofa and powdered a deathly white. George is quite concerned until Marcia suggests that Jane has the mumps and then he scrams. Cindy's next

venture runs into a real case of mumps, and in the course of helping Elroy put the shot, it lands in the prize peony bed. What was a worry over dates ends in a battle of Dads and peonies, shot-puts, mumps, movies, and heart-warming laughter. Other players are: Agnes, the maid; Andrew Cutler, his wife, Nettie; Mr. Ahern, a neighbor; Rose, who gets the mumps, Josie, and Mrs. Tilton; and Marilyn chases Elroy. An Air Forceman, Lt. Bob Cunningham, arrives to furnish the lacking date.

Upper left: "You western men, you all tie your ties like Clark Gable."—Jerry Beebe, Anne Korsmeyer

Upper right, first row: Jerry Beebe, Carolyn Rensch, Carol Scoville, Lois Gunsenhouser, Sondra Rosenberry, Shirley Woodcox, Esther Rickerd, Lenard Keller  
Second row: Neil Hankey, Wayne Brown, Howard Zerkle, Joyce Blair, Anne Korsmeyer, Marilyn Darby, Myrtle Bal, Max Little

Lower left: "Must you make that awful noise?"—Joyce Blair, Myrtle Bal.

Middle: Joyce Blair in the opening scene of the play.

Lower right: "You mean it goes down there?"—Howard Zerkle, Myrtle Bal.

**Seventh row:** Bruce Hathaway, Sue Casebere, Marilyn Rimmel, Glen Newcomer, Judith Parker, Jack Maxton, William Hathaway

Music Maestro! The band became familiar to the people of the community through playing at the ball games. Its "peppy" numbers helped the crowd catch the spirit of the game.

During the year the band appeared at the Kendallville and Auburn Fairs, the state marching contest, the district band festival and a spring concert.

Don Imler, Dick Roan and Margie Grable, representing Butler, in the All District 100 piece band directed by Igor Buketoff of the Fort Wayne Philharmonic Orchestra at the North-eastern Teachers Association.

The band, directed by Mrs. Lida Stage, is

composed of 72 junior and senior high school pupils. It makes no difference as to the section—brass, woodwind or percussion—they all work toward perfection. The addition of a set of tympani added much to the band.

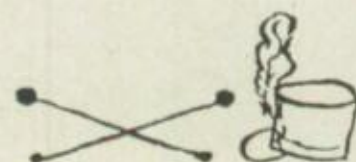

Soloists and ensembles in the district solo and ensemble contest won nine superior and five excellent ratings. Participants were: Don Imler, Dick Roan, Helen Evanoff, Helen Coll, and Margie Grable. Clarinet quartettes—Don Imler, Onalee Knox, Myrtle Bal and Joyce Blair; Jewell Beebe, Helen Bacon, Wilma Shultz and Lucy Zimmerman. Brass sextette: Patricia Souder, Bill Hathaway, Beth Hankey, Helen Evanoff, Janet Smyth and Wayne Brown. Trombone

Trio: Helen Coll, Joyce Funk, and Bishop Hathaway. Cornet trio: Dick Roan, Gene Smith and Vaughn Billings. Cornet quartette: Dee Michael, Joyce Jenkins, Janet Jenkins and Maxine Zerkle. Saxophone quartette: Margie Grable, Donna Hook, Howard Zerkle and Gus Higley. Vocal trio: Joyce Funk, Marlene and Sandra Lee Doolittle. Piano solo: Marlene Doolittle, Helen Coll, Marjorie Smith, Lenore Ringenberg and Jewel Beebe.

The band members had many good times together under the leadership of Bill Hathaway, president; Onalee Knox, vice-president; Patricia Souder, secretary, and Mildred Kessler, treasurer.

**First row:** Helen Coll, Joyce Funk

## *Junior Band*

The Junior Band will serve the community in years to come—the Butler Band of tomorrow. Any student who is interested may join the Junior Band. The band, under the direction of Mrs. Lida Stage, meets the first period in the

morning, five days a week. As yet, they have never won a contest, but they have hopes for the future. After much time and hard work in this organization, the student's goal is reached, a chair in the Butler Senior Band.

**First row:** Kay Brown, Genevieve Hankey, Janice Bacon, Edith Love, Alice Pierson, Mary Lee Harter, Enid Hankey, Loretta Hankey, Loren Hankey, Sylvia VanLeuven, Karen Billings, Charlene Higley

**Second row:** Sandra Rimmel, Karen Walker, Allen Peters, Helen Eck, John Powers, Don Blair, Harold Adams, Jim Lung, Eleanor Clear, Joan Thompson, Fred Thompson, Betty Rohoff, Janet Stark, Carol Hollinger, Gail Bellamy, Jim Harter, Jeff Brown, Walter Shultz, John Smith, John Meeks, Sandra Doolittle.

**Third row:** Dick Bacon, Kelda Keltner, Allen Raney, Max Huffer, Joan Rex, Judy VanZile, Bill Ringenberg

## Chorus

**First row:** Shirley Heffley, Sondra Rosenberry, Theyma Kitchen, Marilyn Rimmel, Linda Harding, Shirley Woodcox, Evelyn Knox, Shirley Surface, Betty Lytle

**Second row:** Miss Gierman, Beth Hankey, Lois Gunsenhouser, Eileen Moughler, Melva Young, Donna Hook, Garcille McDonald, Joyce Blair, Joyce Adams, Myrtle Bal, Marilyn Darby, Joyce Funk, Richard Roan, Marlene Doolittle

**Third row:** Earl Wolff, Lenard Kellar, Fred Thompson, Robert Ashby, William Hathaway, Rolf Gerhardt, Duane Keesler, Glenn Keesler, Fred Ferrah, Gus Higley

The high school chorus has made public appearances on several occasions during the year—the first of these was at the September P. T. O. meeting. Next, the boys' quartette and the girls' trio combined to sing special music at the Thanksgiving services held at the E.-U. B. Church. Later in the year the boys' quartette sang between acts of the senior play. A mixed quartette composed of Joyce Funk, Marlene Doolittle, Dick Roan and Gus Higley sang between acts of the junior play. Both the chorus and special groups entertained the public during the Christmas Bargain days by singing carols. Both groups sang at various civic and community clubs at

different times throughout the year. Like the band, the chorus climaxed its years' work with a Spring Concert.

In the spring all the vocal groups combined to present "The Gay Nineties Follies", colorful in costumes and sparkling in music. This operetta—described elsewhere, was arranged and directed by Miss Gierman.

The chorus and special ensembles, under Miss Gierman, met the sixth period five days a week. They sang a varied repertoire, ranging from corals to musical comedy favorites, including folk songs, spirituals, sacred and art songs, and old-time favorites.

The mixed quartette experimented in close modern harmony, achieving pleasing and interesting results. The boy's quartette specialized in barbershop harmonies rendering mellow arrangements of old familiar ballads.

All in all, the various vocal ensembles of the Butler High School have made worthwhile contributions to public enjoyment and entertainment.

# Operetta

"While Strolling Through the Park One Day" was the setting for the "Gay Nineties Follies" presented by the Butler High School Chorus on the evening of May 12th. Departing from the usual one-plot operetta this production featured several acts, all in the tradition of the nineties. The costumes added much to the general atmosphere of gaiety. Familiar musical favorites such as, "I'm Sorry Dear", "The Band Played On", "The Man on the Flying Trapeze", "Coney Island Babe", "Bicycle Built for Two", and many others were heard throughout the program. Special groups featured were a mixed quartette, girls' trio and several solos. Among the last were "When You Were Sweet Sixteen", "Daisies Won't Tell", and "Peggy O'Neil".

Performance in a program of this type was a new experience to most of the members of the

chorus. It proved to be very interesting and entertaining.

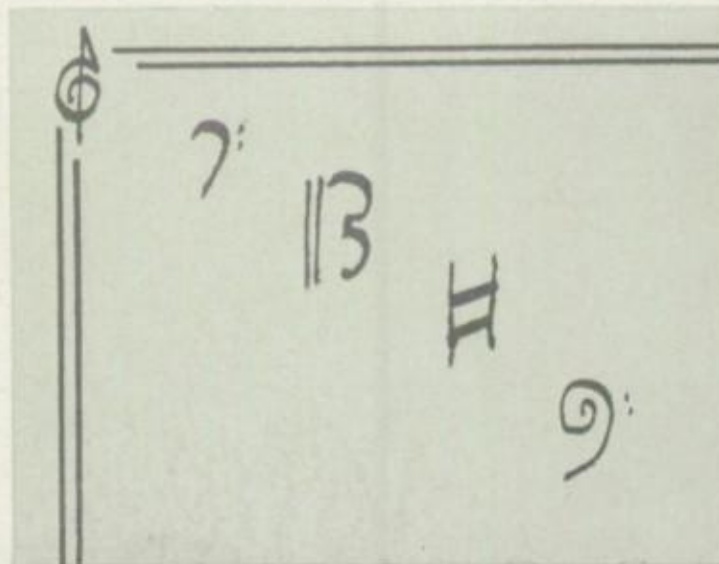

As the first curtain opens, two disconsolate young men, Casey and Pat, are found sitting on a park bench bemoaning the fact that they cannot enter the local barbershop quartette contest because unfortunately they lack two tenors to complete the ensemble. They decide to advertise for "two accomplished wingers with high vocal range". Their surprise is understandable when two charming young ladies answer the advertisement; and even more surprising is the fact that these four aspiring singers convince the contest judges that barbershop quartettes need not be strictly all male organizations. All ends happily as the foursome wins the contest and decide to continue the harmonious association.

We regret that on account of the illness of the director the operetta could not be given this year. It is promised for next fall.

**Third row:** Neil Hankey, Jack Maxton, Larry Ruch, Glenn McKee, Sidney Long, Estell Johnson, Mr. Ashby.

"The more they get together," the merrier they are! The 25 members of the Hi-Y come from the upper three classes of high school and with the help of their sponsor, Mr. Ashby, have formed one of the merriest clubs in Butler High School history. The purpose of the Hi-Y Club is to create, maintain, and extend throughout the school and community high standards of Christian character.

The elected officers are: Bill Hathaway, President; Wayne Heffley, Vice-President; Sidney Long, Secretary; Freddie Ferrah, Treasurer; Duard Bellamy, Sergeant-at-Arms; and Glen Newcomer, Chaplain.

The first meeting was held about a month behind schedule, but that just made the club work harder to make up for lost time. The Hi-Y was responsible for the distribution of programs at ball games, which was an aid to spectators.

At Christmas the Hi-Y joined the Tri-Hi-Y for a joint party and a grab-bag. All of the Tri-Hi-Y girls were entertained by the boys' amusing attempts to climb into girls' clothes in order that their side might win a prize. This was just one of the numerous get togethers enjoyed by the club.

The Tri-Hi-Y Club is an organization of high school girls associated with the Y. M. C. A. Its purpose is "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

This year, for the first, the Butler Tri-Hi-Y Club became affiliated with the national organization, and all members received membership cards. The club members also invested in Tri-Hi-Y pins, and all were well pleased with the attractive ornaments.

Meetings were held regularly on the second Monday of each month. All in attendance at the various meetings voiced their approval of the programs which included: messages from Reverend Imler, Reverend Murphy, and Mr. Oberlin; the joint meeting with Hi-Y for the annual Christmas party with its good food and amusing gift exchange; musical entertainment by Joan Elliott and Helen Evanoff; and art work by Mr. Ashby. On October 12, 1949, four representatives attended the Fall District Meeting at Shippewanna, while nine delegates were present at the Spring Conference at Auburn on March 21, 1950.

All activities of the club left many pleasant and lasting memories in the minds of its members.

## Assembly

Beverly Carr, speaking, Garcille McDonald, Onalee Knox, and Charlotte Johnson, representing the Speech Class and assisted by others and the band presented an interesting Armistice Day program.

Mr. Clayton S. Brough brought a very interesting travelogue on Alaska to us. The talk was illustrated by slides.

JANE EYRE and SMOKY were presented to the student body in two hour-long movies as a part of the visual education program.

A total of eight full-length novels were presented on the visual education program. Three of the most interesting ones were HEIDI, SWISS FAMILY ROBINSON, and REBECCA OF SUNNYBROOK FARM. Mr. Jenkins made the last all the more interesting by mixing up the reels and starting in the middle.

A male quarettte and an accompanist along with a representative from Indiana Central College entertained us one morning at the band period.

Mr. Nelson Kobe (not pictured) talked on BEING SMART, March 13th.

## Programs

Mr. Ashby presented an interesting program of music and pictures April 21st. My, how those pictures appeared!

The musical Wrights—Mr. Wright, Mary, Phillip and David, played and sang a portion of the last period one day in February.

Completing the year's program of motion pictures were dramatizations of **BUFFALO BILL**, **SHERLOCK HOLMES**, and **MY FRIEND, FLICKA**. Although many of us had already seen the pictures we enjoyed them fully. Many other films were shown at the noon hours, and in various classes.

Our Christmas assembly was presented by a chorus of junior high school girls under the direction of Miss Gierman. They sang many carols and Christmas songs. To complete the program, the speech class presented a series of talks on Christmas.

Along in the fall Rev. Graham talked for over an hour to us one morning in the library. He has had wide and varied experiences and surely tells about them.

## *Basketball 1949-1950*

The Butler Windmills of 1949-50 finished their season with a fair record of 10 wins and 10 losses. Again the team was small, but this handicap was overcome by speed, scrap, and spirit throughout the whole team.

During the entire season close games seemed to plague us. We lost a double-overtime game to Spencerville, 43-45, and the following week Butler bowed to the Eagles from Columbia City, 50-46 in an overtime tilt. However, we did manage to win a close one from Fremont, 36-35 in overtime.

As we prepared for the county tourney here, our record showed four wins (all Conference games) and six losses. In our first game of the tourney, we lost a heart breaker to a strong quintet from Ashley, 36-37. Shortly after the tourney two sophomores, Loren Beard and Walter Slentz, were moved up from the reserves to give the Varsity some added "zing and zip." Following this move by Coach Pepple, the boys won five straight before they were stopped by Ashley in a thriller, 43-48. By losing to Ashley we were forced into a tie with Waterloo and Ashley for

Richard Shultz  
Walter Slentz

Robert Wolfe  
Howard Zerkle

the Corner Conference championship. By this defeat we lost the Victory Bell, which we had possessed since we squeezed by Waterloo, 41-40.

The Sectional draw found us matched against Angola, who beat us for the third straight time by three points, 42-39. This game marked the close of another basketball season at Butler, and also closed the basketball careers of eight seniors: Burt Campbell, Cork Shultz, Duard Bellamy, Bill Hathaway, Sidney Long, Glen McKee, Glen Keesler, and Bob Wolfe. After Butler was eliminated from the Sectional, these boys were rewarded with honor jackets, which were provided by the Athletic Department.

Any successful basketball team must have cheerleaders; this year ours did an excellent job in keeping up the spirit and morale of all the fans through the enthusiasm and variety of their yells. This year's trio of coaches, again as in the past, have also done an excellent job in their field. But any coach would literally be lost

without a dependable manager to pack uniforms, shine balls, wash towels and suits, and to fulfill the many other necessary duties, which they perform so efficiently all season. The work of these individuals was greatly appreciated by the fans and players.

## *Injuns*

This year the 1949-50 Butler "Injuns" finished one of the best seasons that our reserve squad has ever had. Their final record shows 17 wins and only four defeats. This was an outstanding achievement since many of their opponents also had very commendable squads.

Shortly after the baseball season ended, there was an unusually large turnout of boys for the second team—all of which were either freshmen or sophomores. From this group Coach Beebe had a very hard time choosing the 12 which he thought would do the best job for him during the season. In the minds of all these boys and their coach were three worthwhile goals, which they hoped to accomplish during the season. First, to win the county tourney, held here in January; second, to win the milk bottle back, because there was a little sentiment here since we had held the

bottle so long last year. Third, to become the corner conference second team champs. We did win the tourney by defeating Spencerville 27-21 in the final game. And we did finally regain possession of the milk bottle by defeating Waterloo in the final game 30-24. But in the conference standings the Injuns had to be content with third, close behind Ashley and Waterloo.

This group of underclassmen is growing and developing so fast that within two or three years we hope to have another sectional championship ball team at good old B. H. S. Besides it is about time anyway, isn't it?

This year's Junior High team, the Butler Gamemasters, compiled an outstanding record of 13 wins and only 2 losses. Coach Cather said that during the past two seasons, he has had the finest ball club in his many, many years of coaching. These boys, in two years, have set an amazing record of 34 wins while losing only two games. Again this year, the team was tall, mainly because both Bellamy and Burdick were back again. And usually these boys were able to out rebound any of their opponents.

This year, as in the previous seasons, Coach Cather has given up much of his spare time to the betterment of the lower grades, and this year his patience was rewarded. The fifth and sixth graders won the Sixth Grade tournament at Harlan. They defeated Franklin, 29-19 in the semi-finals and went on to defeat Harlan in the finals, 30-12.

The spirit and morale of the fans was kept high by the splendid job done by their trio of yell-leaders: Maxine Zerkle, Joyce Beam, and Nancy Bright.

# Baseball

This year's baseball team, along with four other schools, composed a schedule of ten games set up to be played in round robin fashion by October 15.

Again, as in previous years, Coach Beebe had an excellent turn-out of young prospects, mainly because of the experience they had obtained by playing on the American Legion team during the summer. These boys, along with the "veterans" of previous years, composed the foundation for this year's baseball team.

Our boys got off to a poor start at the opening game but rallied to defeat all but three of their season's opponents. The highlight of the season was Beebe's no-hit pitching in the Rome City game.

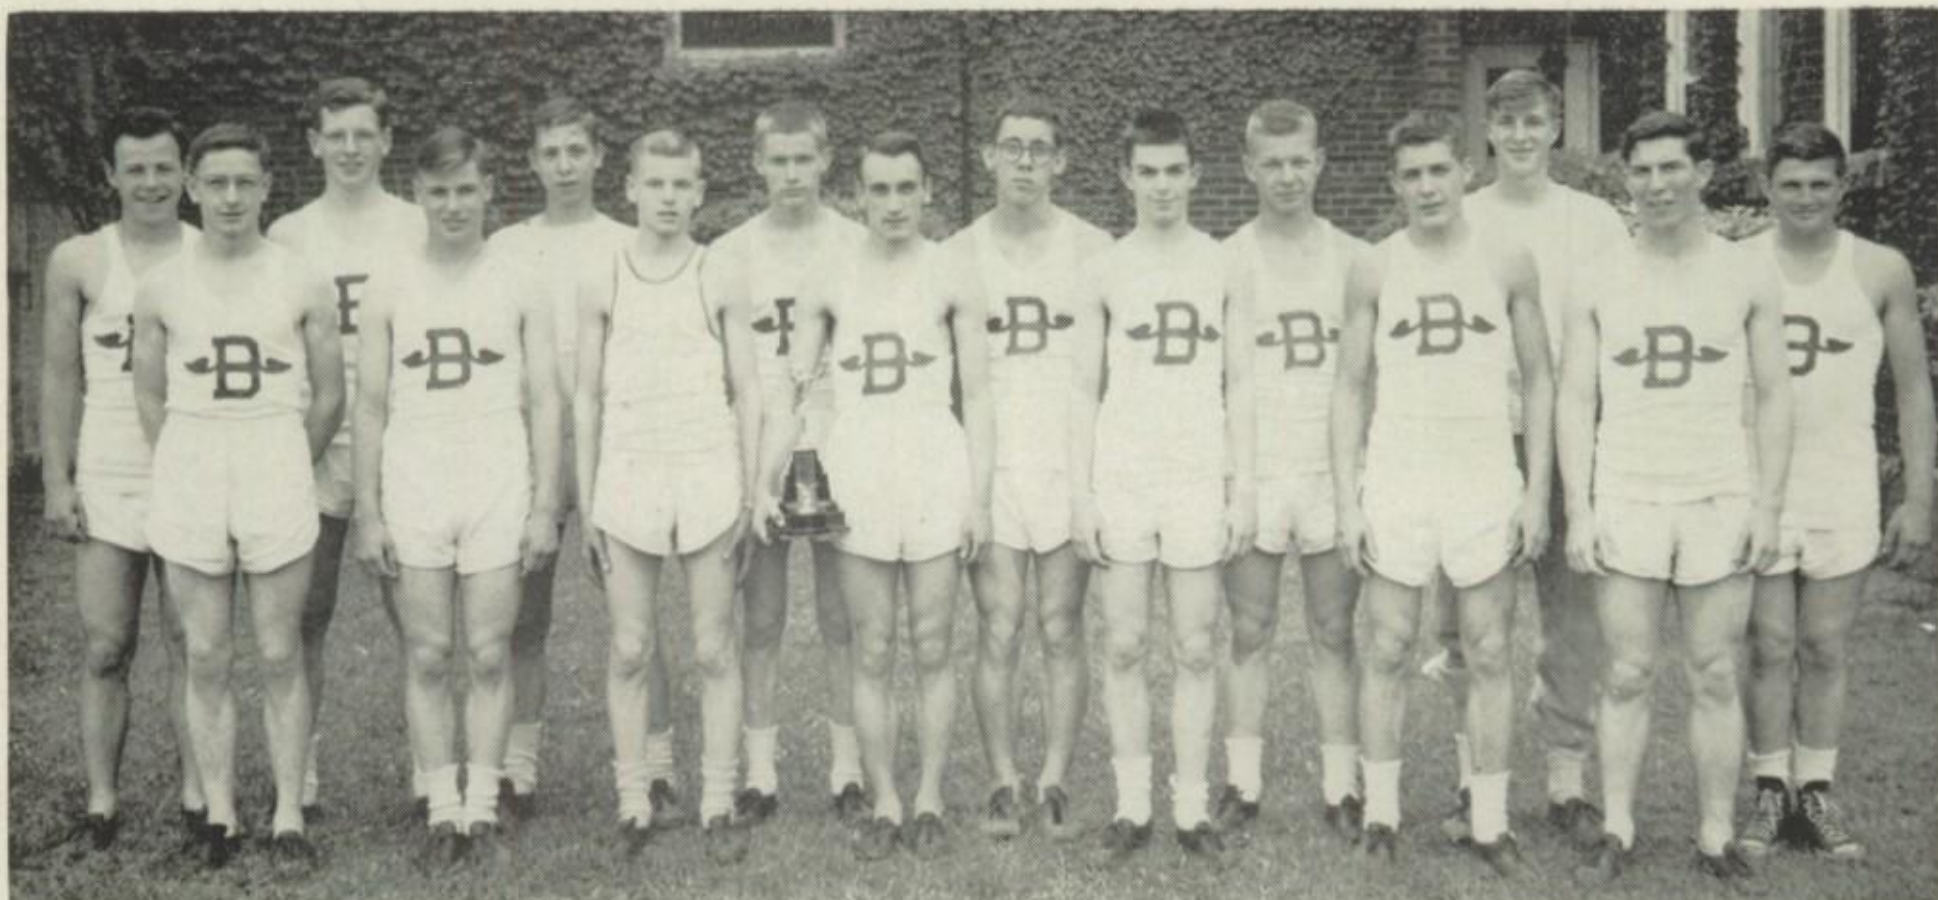

Although Butler finished second in the standings, this could very well have been first because many of the games were lost through errors and poor judgment.

First row: Jerry Beebe, Richard Shultz, Howard Zerkle, Duard Bellamy, Burton Campbell  
Second row: Jack Maxton, Sidney Long, Robert Wolfe, Olus Everetts, Loren Beard, Arthur Wilson, Richard Obendorf

## Track

First row: Richard Shultz, Olus Everetts, Richard Hankey, Raymond Moughler, Jerry Beebe, Glen Keesler, Durad Bellamy

Second row: Duane Keesler, William Hathaway, Loren Beard, Burton Campbell, Richard McBride, Wayne Brown, Charles Smyth, Wayne Heffley.

The 1949 track team, as in the past, again had a banner season. Last spring, for the ninth consecutive year, Butler's track team again won the Corner Conference track and field meet at Garrett.

Some of the high-lights of the track team, along with their conference win at Garrett, were their successes at the Goshen and Kokomo Relays for the third straight year. At Goshen, Butler finished first in the "Class B" medley and the following week went on to finish second in the medleys at Kokomo. This medley team was composed of four boys: Bob Thompson, who ran

the 220; Burt Campbell, the 440; Jerry Beebe, the 880; and Cork Shultz, the mile. All of these boys will be back for the 1950 season with the exception of Bob Thompson.

One of the most outstanding accomplishments during the season was Duard Bellamy's amazing jump of 21 feet, which he made here in the Fremont track meet. Along with this, Bob Thompson excelled in his favorite events, the 100 and the 220.

This spring we are looking forward to another good season for this year's team, since we will have many of our lettermen back again.

### RICHARD SHULTZ

This year, as in previous years, Butler has again come up with a good distance runner, Cork Shultz. Some of his achievements during the season were: his record breaking mile at Goshen, his job as anchor-man on the Butler medley team, which finished second at Kokomo, and his crowning achievement at the Fort Wayne sectional, in which he finished first, thereby enabling him to go to the state meet. There he finished in the top ten with the time of 4:34.

# Intramural

The intramural sports were played at noon again this year, under the supervision of Mr. Pepple and Mrs. Hampel. Some very enthusiastic games were contested. Among these were dodgeball, kickball, volleyball, deck-tennis, boxing and very hard-fought basketball games between different teams from the High School and Jr. High teams. Also, a team from the F.F.A. was organized this year and, although their record against surrounding towns wasn't too impressive, they learned much valuable basketball know-how. A foul-shooting tournament was arranged for noons again this year and both boys and girls participated. Besides serving as a means of keeping students out of mischief at noon, the games also proved a good form of recreation for them.

## Class History

In the fall of 1946 there were fifty-five freshmen who entered the halls of B. H. S. to climb a step toward our goal of finishing our high school education. We soon became adjusted with the help of our sponsors, Miss Allmann and Mr. Jenkins. Our class officers were Richard Shultz, President; Dorothy Burdick, Vice-President; Burt Campbell, Secretary-Treasurer. During our first year we participated in Band, Chorus, F. H. A., F. F. A., Latin Club, Baseball, Track, and Basketball.

In the autumn of 1947, fifty sophomores climbed another step toward our goal. Our sponsors were Mr. McCrory and Mr. Berg. We chose Bob Wolfe, Burt Campbell, Richard Shultz to serve respectively as President, Vice-President, and Secretary-Treasurer. We were now eligible for joining the Tri-Hi-Y and Hi-Y clubs. One of our classmates had the honor of appearing on "Around the City Desk" at WKJG.

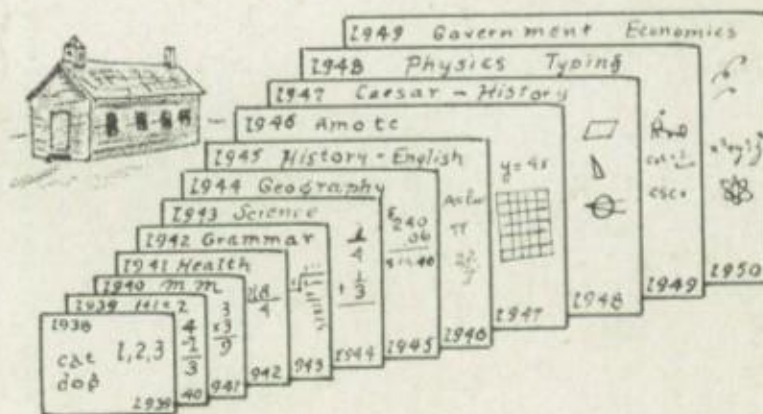

In our Junior year forty-three of us took a step higher in our education. Mr. Ulm and Miss Metz were our sponsors for this eventful year. We elected Beverly Carr, President; Richard Shultz, Vice-President; Dorothy Burdick, Secretary; Bill Hathaway, Treasurer. Members of our class again had the opportunity to appear on WKJG's "Around the City Desk." We, like our predecessors, also disturbed the town with our Christmas Card Sales to collect money for our future trip to Washington. Many of our classmates portrayed their dramatic skills in the Jun-

ior play, "The Fighting Little's", under the direction of Mr. Francis E. May. The athletes of our class also put forth a good showing on hardwood, diamond, and cinders.

Forty-one seniors returned to climb the last step of our high school education. Under the direction of Mr. Oberlin and Mrs. Hampel, we directed all our efforts toward our trip to Washington. Our officers were President, Beverly Carr; Vice-President, Bob Wolfe; Secretary, Dorothy Burdick; Treasurer, Bill Hathaway. The Senior play, "A Broom for the Bride," was a success, with the aid of Mr. May.

And now, as we have reached the last step and as the door closes behind us, we are glad to have had the privilege of attending dear old B. H. S., yet many of us have a feeling of regret that our high school life is past. To you that remain, we, the class of "1950", wish you all a fond farewell.

### *Washington Trip*

On Sunday morning, May 8, at 5:30 A. M., thirty-eight students and their four sponsors (Mr. and Mrs. Ulm, Mr. May, and Mr. Berg) left Butler to begin their Senior trip. At Fort Wayne they were "loaded" into an Indiana Railroad bus driven by Mr. Charles Mendenhall and were on their way by 7:30 sharp.

The first day was spent mostly in traveling through Ohio. At 6:30 that evening the group arrived at their first stop, Pittsburgh. Here the night was spent at the Fort Pitt Hotel.

Early the next morning they left Pittsburgh and entered the Pennsylvania turnpike, which was traveled most of the morning. A short time after lunch, Gettysburg was reached, and the students made a tour of the battlefield. At 6:30 that evening they arrived at their destination, Washington, D. C.—rain and all!

On Tuesday morning at 9:00 the tour of Washington was begun. Lincoln Memorial, Arlington Cemetery, and Mt. Vernon were visited during the morning. Just before noon the group met Congressman Kruse, at which time the above picture was taken. That afternoon was spent mainly in two places: the Washington Cathedral and the Washington Monument. At 8:00 that evening, the group went for a river cruise.

Wednesday morning the students saw many places of interest, including the Mint, Capitol Building, Congressional Library, Supreme Court, Smithsonian Institute, Federal Bureau of Investigation, and the Monastery.

On the fifth day, the nicest day as far as the weather went, everyone was on his own. Some shopped; others visited places of interest such as the White House, the Senate and the House of Representatives, the Coplon spy trial, and the Ford Theater.

The trip home began at 7:00 A. M. Friday morning. The day was spent traveling through the mountains. Wheeling, West Virginia, was reached by night-fall. After a fifteen minute delay the next morning, (Bill Mutzfeld and Donnie Mullett overslept), the group was again on its way. Soon it was discovered that Bill had left his tooth in the hotel, and he was rushed back.

Saturday evening at 4:05 P. M., thirty-eight weary and happy students, plus the same four sponsors (all survived!), reached Fort Wayne. Their wonderful Washington trip will be a cherished memory all their lives. It had been educational as well as enjoyable. The trip was certainly worth every bit of work put forth to make it a success!

# Academic

**Art.** For the first time in its history, Butler High has introduced a course in art under the capable direction of Mr. Ashby. This group has proved helpful in making posters for various school activities.

**Commerce.** The commercial group consists of students who are interested in shorthand, bookkeeping, and typing. Much attention is given to secretarial training, especially through second-year shorthand. This course gives the students an opportunity to tour local industries and become better acquainted with business.

**English.** This is one of the few subjects which touch the student's life directly. It is a combination of the English which we write and speak, plus the literature we read. English Literature was added this year. Several students participated in English Contest.

**Latin.** Butler's courses in first and second-year Latin help increase understanding of the foundation of our language. Though often bewildering, Latin broadens our outlook and improves our mental efficiency.

**Mathematics.** Various types of math are given—algebra, geometry, and trigonometry. They provide the fundamentals needed by every person while serving himself and his community.

**Science.** Science is the basis of our community—it includes physics, chemistry, and biology. These subjects introduce the principles so important to everyday life. The biology department has added new equipment, which increases student interest.

**Social Studies.** History, government, sociology, and economics aid in understanding current world affairs. Without these subjects it would be almost impossible for us to learn how to contribute to democracy.

**Vocational Agriculture.** The agriculture classes study field crops, animal husbandry, and farm management. The boys enrolled in these classes are instructed in the efficient operation of a farm.

**Vocational Home Economics.** The girls in home economics learn the principles of homemaking; they are taught how to sew and cook, plus the other duties of a housewife. Certainly home economics is beneficial to every girl.

# Advertising and Humor

## *School and the Merchants*

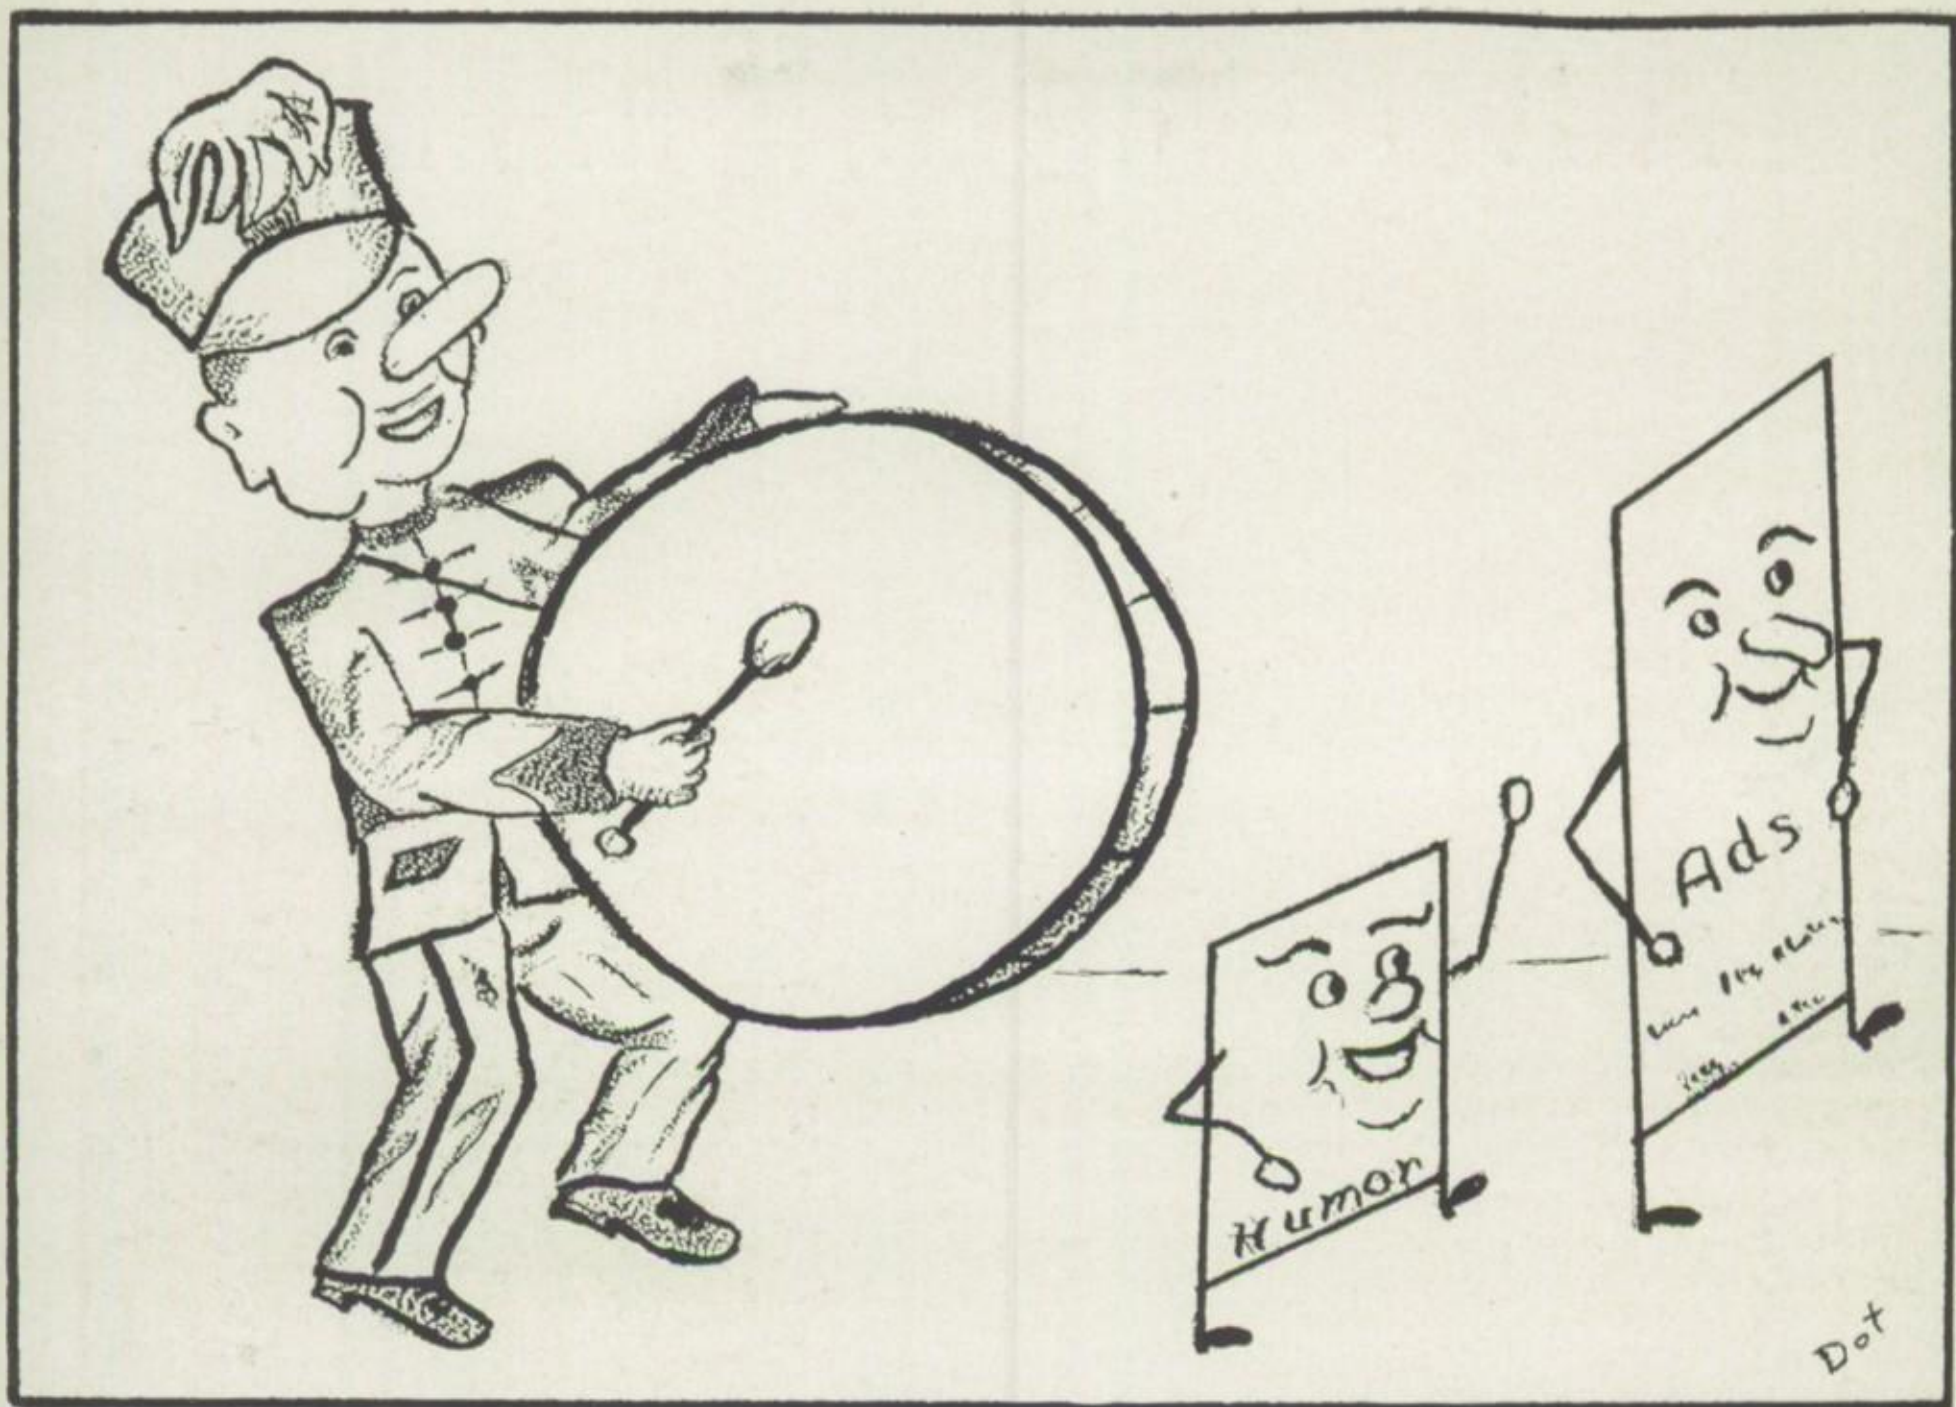

Between school and business an important relationship exists in any community. Businessmen contribute taxes in support of the school: the school buys, increasing the volume of trade. The pupils come from miles away, forming a habit of coming to Butler. Their parents come, too. The more people coming to a town, the better for the town. Thus businessmen like to see the school active, something doing all the time. They know that basketball tournaments, track meets, Hi-Y banquets, carnivals, plays, etc., are good for the town.

We find the businessman standing by when we need financial aid. We suspect he takes ads in our publications to help us out rather than for any actual advertising benefits.

Butler schools and business have always been closely allied. These two are the pulse of the community; good schools, good business—and a better town.

Mr. Ashby (in history): The radical element in the First Continental Congress insisted that there were certain inalienable rights—liberty, life—

Rolf: That wasn't anything new. Lincoln said that in his Gettysburg address.

Rolf: Well, wasn't Lincoln president before the Continental Congress.

## PURE DOGGEREL

As I scan the roster of Butler High  
Some things I see that make me laugh  
and cry.

For we have a Hankey, but no towle  
And a Bright, but no dulle.

And, oh! so sad, a McBride, but no groom,  
While close by is a Beard, but no broom.  
We do have Snow, but yet no rain,  
But how can we have Craigs, without a  
mountain?

In 22's we have Longs, but no shorts,  
And Lungs, but poor, poor body, no  
hearts.

For riding we have no buggy, but a Carr,  
In which work no moths, but a Miller.

Some are hard to cram down our gullets,  
As we hunt with Beebe's, but no bullets.

We find a Wolfe without a den,  
And a Parker minus a pen.

In that school of many a basketball fan  
Roams a Badman, but not a goodman.

And now, I'm trying awfully hard,

(Continued from page 72)

As with an antique SiCard  
We make a Diehl,—neither new nor fair.  
For our Knox we find no door—  
Oh! this is getting to be a dreadful bore!  
Of course there can be Little, but not  
much  
Or a Little, but no big as such.  
Now I'm running out of wit,  
For there is a Rensch without a kit.  
We can't play three-cornered cat,  
For though we have a Bal, we have no  
bat.  
And then upon the Stage comes so sly  
A Hook, but of what value without an  
eye?  
And while we sit around and Doolittle,  
We told Sukey to put on the kittle.

Just where, Mr. Jenkins, does a motion picture begin—the second reel?

\* \* \* \* \*

It seems that Mr. Jenkins and several of the Butler High students need to learn the calendar. On February 28th Mr. Jenkins made out make-up cards due February 29, 30 and 31st. A dozen or more students never caught the error, until after school when Jean Miller wanted her make-up card extended.

Along with Rev. Spence (ONE FOOT IN HEAVEN) who laid down the laws and whose wife determined what ones to enforce with police powers, Mr. Oberlin writes the laws at his house (so he says), but his wife writes the amendments.
